### WINEMAKING NOTES

#### Soil

The parcels of Bourgogne Aligoté are located mainly between Buxy and Saint-Gengoux-le-National, at the bottom of the hills.

The soil is often covered with scree and rock, which allow the grapes to achieve full maturity. The grapes are grown in calcareous soil of the Côte Chalonnaise.

#### Winemaking

The making of Bourgogne Aligoté takes place entirely in stainless steel vats so as to preserve its freshness and liveliness.

#### Ageing

Stainless steel.

### TASTING NOTES

Fresh fruits aromas. In the mouth it is soft with floral and hazelnut aromas.

### FOOD PAIRING

Aperitif, Kir Royal, cured meat, fish in sauce, oyster, seafood, goat cheese.
