CHATEAU DE LA COUR – SAINT-EMILION

WINEMAKING NOTES

Soil

Large bed of silt-clay gravel, clay-limestone hills and valleys and a sandy-gravelly plain stretching.

Winemaking

Sustainable growing, no herbicides and natural grass cover. Hand and mechanical harvest. Natural fermentation (indigenous yeast), long maceration (21 days).

Ageing

Cement tank for 12 month.

TASTING NOTES

The palate is supple and fresh with nicely-integrated tannins and red fruit aromas of redcurrant and strawberry.

FOOD PAIRING

Pink fish, white meat, poultry, pizza, dishes in light sauce.
