WINEMAKING NOTES

Soil

Gravels and siliceous sand or chalks situated at the South of the Loire river.

Winemaking

Winemaking at low temperatures in vats (glass fiber).

Ageing

Maceration of full grapes between 2 and 4 days in vats.

TASTING NOTES

This Rosé d'Anjou presents a nice color with cherry or salmon glints more or less pink. On the nose and the palate the red fruits aromas are dominant.

FOOD PAIRING

Really nice with Asian and Indian cuisine, cold meat, salad, fruit salads or even grilled fishes.
