WINEMAKING NOTES

Soil
Mendoza sits at approximately 3000-4000 feet above sea level.

Winemaking
Malbec expresses itself very well in regions with broad temperature ranges and calcareous, clayey or sandy soils as those found at the foot of the Andes..

Ageing Light oak treatment.

Suitable for Vegetarian, vegan.

TASTING NOTES

A vibrant and juicy Malbec made from grapes grown at high altitude in Mendoza. Flavours of black cherry, ripe plum and hints of chocolate over supple tannins.

FOOD PAIRING

The perfect accompaniment to steak.
